Motor Neurone Disease Specialist Practitioner at the Royal United Hospital

Motor Neurone Disease (MND) Service

The MND specialist practitioner service offers a single point of contact and ongoing support for patients with Motor Neurone Disease, their families and carers.

This service offers specialist information, sign-posting, support and guidance from diagnosis and throughout your illness.

The MND specialist practitioner works within the RUH, Dorothy House and the community and can visit patients in their homes.

The MND specialist practitioner can offer:

- information and leaflets about MND
- referrals to community teams
- benefit information
- access to Motor Neurone Disease Association support
- advice and support with advance care planning
- referral to Dorothy House courses, emotional support, respite care, complimentary therapy and palliative care advice
- advice, education and support for health care professionals and nursing homes

Get in touch

You can contact the MND specialist practitioner by:

Phone: 01225 824 673

Mobile 07870 984 469

Email: dawn.beckett@nhs.net

The MND specialist practitioner works Wednesdays and Fridays.

We will make every effort to return your call within 24hrs on working days but, on occasion, it can take a little longer due to other commitments. In this situation, contact your consultant's secretary for advice.

Important note:

This is not an emergency service

You should not use this service to obtain urgent medical advice

In an emergency, contact your GP, or attend your nearest A&E Department by ambulance, if necessary.
