

LIFE LINES

Appeal 2025

Donations
doubled

£350K appeal. 7 December.

36 hours. All donations doubled.

Our Life Lines campaign aims to raise a total of £500,000 to continue providing quality end of life care to thousands of people in our community. Here's how you can help us make a perfect start.

Become part of our story. Write the next lines with us.

Are you a Dorothy House champion?

This December, as a Dorothy House Champion you will help us raise £350,000 in just 36 hours!

- On Sunday 7 December, a fundraising super-sprint will begin...
- Our group of Champions will reach out to their networks through phone, text, social media and email, asking for support to help us continue to be a vital Life Line for our communities.
- Donations will be directed to your unique fundraising page, contributing to the overall target.

Thanks to our amazing matched funders, appeal donations will be doubled¹

Why become a Champion?

Funding is our lifeline. Without it we simply couldn't provide the level of care and compassion we give to thousands of people each year.

Although we continue to care for more people than ever, we need to do more. There are still people in our community who do not have access to the end of life care they need and deserve.

We need YOU and as many Champions as possible to help us reach our incredible target.

Help us continue to be there for those facing death in our communities, now and in the future.

¹Matched Funding will be awarded up to the total funding amount available. Donations received after the matched funding has been met will be gratefully received but not eligible within this funding offer.

"I've got stage four cancer, which has been going on since 2019. There's part of me which knows I might need Dorothy House in the future.

It's comforting to know that if I do get sicker, something like this is around for me and my kids."

Cara

We know that life stories don't run in straight lines. They go up and down, zig and zag. They turn corners, speed up and slow down. Whatever happens, we need funding to ensure we can continue to be a dependable lifeline for families when things get tough.
